

# Lifetime Secure Personal Assistance Network (LifeSPAN) Annual Associate Business Membership Information

Our Annual Associate Business Membership begins at \$500 and includes:

- 12-month company listing on our web site (business card size, 2" x 3 1/2")\*
- Company name listing in our print newsletter (2 to 3 times a year)
- A copy of two tools for your employee or personal library (a \$65 value)

- A workbook entitled A Good Life for you and your relative with a disability by PLAN co-founder, Al Etmanski.
- A CD-Rom entitled Peace of Mind for you and your relative with a disability by the PLAN Institute for Citizenship and Disability.

Both of these tools serve as LifeSPAN's primary planning resources for families. They include self-help worksheets and success stories regarding future planning, housing, choice, contribution, personal networks and financial security.

- A two-hour "Introduction to Planning a Safe and Secure Future for Relatives with Disabilities" workshop for your staff or employees (\$250 value).

This small group workshop outlines what families face when considering a Good Life for individuals with disabilities. It addresses how these areas relate to each other for success and offers concrete suggestions for getting started.

**The benefit of supporting LifeSPAN:** For the first time in history, individuals with disabilities are outliving their parents. Any statistic that you review regarding disability and the aging of primary caregivers tells you that the need to build community capacity to address this demographic shift is staggering. This family-driven form of future planning is an intelligent, cost-effective and positive method for giving families (older adults and professionals in the workforce) a method for moving forward in an otherwise unstable and unsustainable environment.

- Yes, I would like to become an Associate Business Member at \$500: \$ \_\_\_\_\_  
(Tax deductible portion of contribution is: \$500-\$65-\$250=\$180)
  - I would like to make an additional contribution to LifeSPAN: \$ \_\_\_\_\_
